Your firm is still subject to the laws of this state applicable to the transaction of business.

FIRM'S CERTIFICATION #:	1766
EXPIRATION DATE:	January 23, 2015

As a certified business, your firm continues to be listed in the State of Oregon, Office of Minority, Women & Emerging Small Business certified firm information which is available through the Internet. This electronic directory is available to local and state agencies, as well as private industry and prime contractors. Prior to the expiration date listed above, you will be sent information regarding your certification review.

Changes in business ownership, control, operational management, address or telephone number must be provided to this office within 30 days of the change. Failure to do so may result in denial of certification.

The following description table indicates the areas (in the form of NAIC codes) in which your firm has been approved to perform work. Please note that there may be some changes to the NAIC's codes which designate your firm's capability description(s). Also, OMWESB has recently included new (NIGP and ODOT) codes designating your certified capabilities which are consistent with your firm's eligibility requirements. These codes were added to assure that anyone using the OMWESB directory information is aware of your capabilities for potential contracting purposes. We recommend you view your firm's information on the Internet under your certification number at: <http://www4.cbs.state.or.us/ex/dir/omwesb>. Please review the information to be sure the codes/descriptions accurately describe your business.
