

Asbestos Analysts Registry

April 2, 2009

Organization ID: **101861**

NVL Laboratories, Inc.
Nick Ly
4708 Aurora Ave. N
Seattle, WA 98103

Dear Mr. Ly,

CONGRATULATIONS! Effective **April 2, 2009** your organization's NIOSH 582 equivalency course has been reviewed by AIHA and will be listed as an AIHA Registry Programs, LLC reviewed NIOSH 582 Equivalent course on our web listing at:

http://www.aiha.org/llc_registry/niosh.htm

Although listing does not confer the AIHA Registry Programs' endorsement of your course, it does indicate that the course outline, training materials and reference documents, equipment, instructor qualifications, certificate and final examinations provided to the AIHA Registry Programs, LLC meets the requirements detailed in the AIHA Registry Programs' *NIOSH 582 Equivalency Course Requirements for Listing* document and is considered by the AIHA Registry Programs, LLC to be equivalent to the NIOSH 582 course.

Per AAR Policy, Article II, Section 2.2.2.3, courses listed by the AIHA Registry Programs, LLC shall provide updated information to demonstrate that the course is current and still meets the AIHA Registry Programs' determined requirements for NIOSH 582 equivalency. Failure to respond to the request for update information will result in the removal of the course from the web listing of reviewed courses and placement of the course on an internal list of historical providers. You will be notified in **2012**, by the AIHA Registry Programs, LLC when it is time for your course's update to be submitted.

If you have any questions, please contact me at cdezio@aiha.org (703) 846-0798.

Sincerely,

A handwritten signature in black ink that reads "Carter Dezio".

Carter Dezio
Manger, AIHA Registry Programs
